

Part A. PERSONAL INFORMATION

CV date	15/07/2019
---------	------------

First and Family name	AMPARO OLIVER GERMES		
ID number	22697338H	Age	51
Researcher numbers	Researcher ID	https://www.researchgate.net/profile/Amparo_Oliver	
	Orcid code	orcid.org/0000-0002-1207-4088	

A.1. Current position

Name of University/Institution	Universitat de València		
Department	Metodología CC del Comportamiento		
Address and Country	Av. Blasco Ibañez, 21, 46010 – Valencia – España		
Phone number	+34963864468	E-mail	oliver@uv.es
Current position	Full Professor	From	23/05/2011
Espec. cód. UNESCO	110500 – Metodología / 610504 - Estadística (Ver 1209) / 610800		
Palabras clave	256256 - Envejecimiento con éxito / 000295 - Calidad de vida 218694 - Metodología Multinivel, análisis de datos con modelos jerárquicos, como especialidad de modelos de ecuaciones estructurales / 215262 - Audiovisuales y Educación		

A.2. Education

PhD	University	Year
Degree in Psychology	Universitat de València	1991
PhD in Psychology	Universitat de València	1993

A.3. JCR articles, h Index, thesis supervised...

Total cites: 3756 H index=30 i10=58. CNEAI research periods 4, last one 2011-2016. Thesis supervised or under deposit pending of date of defense 20. Many of them about women issues, women empowerment or quality of life promotion.

Average quote/year during last 5 years (not including present year): 342. Please notice there is a positive trend as respectively the quotes from 2014 to 2018 are: 276, 340, 426, 419, 470.

Part B. CV SUMMARY (max. 3500 characters, including spaces)

Amparo Oliver, female. PhD in Psychology, Full Professor in Quantitative Methods Applied to Behavioral Sciences at University of Valencia, SPAIN. Head of the interdisciplinary PhD program in Promotion of Autonomy and Socio-Sanitary Care addressed to national and international PhD students from Psychology, Nursing, Social Work, Medicine, Physiotherapy,... Head of ARMAQoL interdisciplinary research group (Advanced Research Methods Applied to Quality of Life, GIUV-2017-359) and codirector of Biogender Medicine Unit, mixed unit with CIPF (Fisabio, GVA).

Main domain: Research in advanced statistical models applied to quality of life and welfare promotion. Some particular fields with relevant gender perspective: successful aging; dignity & quality at the end of life (palliative care patients and professional's inner CV); gender violence (diagnostic and intervention); equity and entrepreneurship from education. Outstanding

publications in journals as *Archives of Gerontology and Geriatrics*, *Structural Equation Modelling*, *Social Indicators Research*, *Journal of Pain and Symptom Management*, *European Psychologist*, *Work & Stress*, etc.

Research visits and/or continuous collaborations with Kenneth A. Bollen (*UNC Chapel Hill, NC, USA*), Alistair Cheyne (*Loughborough University, UK*), Barry Schneider (*University of Ottawa, CA currently Boston College, MA, USA*); Julian Montoro (*UNCC at Charlotte, NC, USA*), Shane Sinclair (*Calgary, CA*), Eve Ekman (*San Francisco, USA*), David Kissane (*Monash University, AU*), Michael Silberman (*Middle East Cancer Consortium, IL*), Fernanda Arena in Brasil (*CNPq*) and Argentina (*Prof. Gustavo de Simone, Pallium*). Recently, 2018 in a funded research stay at *RCC Harvard with IECO-UV (Boston, USA)* and 2019 in *ESAN Business School (Lima, Peru)*.

My research transference profile includes local conferences and talks about self-care & successful aging along the Valencian Community (Requena 2017, Quart de Poblet 2016) and also impact actions dealing to the Award in Research Transference 2016 given by *Federation of Valencian Neighborhood Associations*. Some nationwide contributions to quality of life promotion are audiovisuals evidence based for aging care: *Tú que cuidas, cuídate* (Caregiver self-care) and *Buenos Recuerdos* (Good Memories) on Early detection of Mild Cognitive Impairment. Intervention protocols as *GES and KIBO at the end of life*. In gender violence with ICT-enabled interventions on adolescence app *Liad@s*, and convicted abusers (*Context Program with Prof. Lila*). Finalist in *International Documentary Film Festival MIRADAS.Doc 2013*.

Part C. RELEVANT MERITS

C.1. Publications (including books).

Transference from knowledge (evidence based explicative models) to successful interventions in quality of life promotion:

1. **Oliver, A**; Revuelto, L., Fernández; Simó-Algado, S & Galiana, L (2019). An integrative model of the subjective well-being of staff working in intellectual disability services. *Research in Developmental Disabilities*, 87:1-8. doi: 10.1016/j.ridd.2019.01.007. Q1
2. Navarro, JJ, **Oliver, A.**, Carbonell, A. (2018). The Effectiveness of a Psycho-educational App to Reduce Sexist Attitudes Among Adolescents, *Psicodidáctica*, doi: 10.1016/j.psicod.2018.07.002. Q2
3. Sansó, N., Galiana, L., **Oliver, A.**, Cuesta, P., Sánchez, C. y Benito, E. (2018). Evaluación de una intervención mindfulness en equipos de cuidados paliativos. *Psychosocial Intervention*, 27, 81-88. <https://doi.org/10.5093/pi2018a7>. Q2
4. N Sansó, L Galiana, A Cebolla, **A Oliver**, E Benito, E Ekman. (2017). Cultivating Emotional Balance in Professional Caregivers: a Pilot Intervention. *Mindfulness*, 1-9. Q1

Methodology focus, psychometric expertise such as developing and validating new measures:

5. Galiana, L., **Oliver, A.**, Sansó, N., Sancerni, M. D., & Tomás, J. M. (2017). Mindful Attention Awareness in Spanish Palliative Care Professionals: Psychometric Study with IRT and CFA Models. *European Journal of Psychological Assessment*, 33, 14-21. Q2
6. D Rudilla, L Galiana, **A Oliver**, P Barreto. (2016). Demoralization Scale in Spanish-speaking palliative care patients. *Journal of Pain & Symptom Management*, 51, 4, 769-75. Q1

Development and testing of explicative models focused in older adults, plus internationalization of research competence:

7. **Oliver, A.** Tomás, JM, and Montoro-Rodriguez, J. (2017). Dispositional Hope and Life Satisfaction among Older Adults Attending Lifelong Learning Programs. *Archives in Gerontology and Geriatrics*, 72:80-85. doi: 10.1016/j.archger.2017.05.008. Q2

8. JM Tomás, P Sancho, L Galiana, **A Oliver**. (2016). A Double Test on the Importance of Spirituality, the "Forgotten Factor", in Successful Aging. *Social Indicators Research*, 127 (3), 1377-1389. Q1
9. Fombuena, M., Galiana, L., Barreto, P., **Oliver, A.**, Pascual, A., & Soto, A. (2016). Spirituality in patients with advanced illness: the role of symptom control, resilience and social network. *Journal of Health Psychology*, 21(12), 2765-2774. Q2.
10. Sansó, N., Galiana, L., **Oliver, A**, Pascual, A., Sinclair, S., & Benito, E. (2015). Palliative Care Professionals' Inner Life: Exploring the Relationships Among Awareness, Self-Care and Compassion Satisfaction and Fatigue, Burn Out, and Coping with Death. *Journal of Pain and Symptom Management*. DOI: 10.1016/j.jpainsymman.2015.02.013. Q1.

I include following item in this in selection (in despite of being only Q3) as it was the only European research work to be included as recommended reading in the guide of USA Health Services and also cited (Jackson, et al. 2016) by the Australian National Ageing Research Institute.
11. **A Oliver**, L Galiana, E Benito. (2015). Evaluation tools for spiritual support in end of life care: increasing evidence for their clinical application. *Current opinion in supportive and palliative care* 9 (4), 357-360. Q3

C.2. Research projects and grants

H2020 European Project MESOC (870935) 2020-23. Acción de Investigación e Innovación para proponer, probar y validar un enfoque innovador y original para medir valor social e impactos de cultura, políticas y prácticas culturales, relacionadas: a) Salud y Bienestar, 2) Renovación Urbana y Territorial y 3) Compromiso y Participación. Capta el valor social más amplio de la cultura, incluyendo, pero yendo más allá de su impacto económico. Consorcio de 10 miembros (Politécnico de Milán, Barcelona, Rijeka y Valencia, la consultora especializada en cultura, KEA European Affairs, la oficina francesa de promoción de proyectos europeos RELAIS CULTURE EUROPE, DAEM la empresa pública de IT de la ciudad de Atenas, la empresa de comunicación WORLDCRUNCH y las ciudades de Rijeka (Croacia) y Cluj_Napoca (Rumania). Se cuenta con un panel de ciudades donde desarrollar acciones, prototipos y experimentos (València, Barcelona, Milan, Gante, Varsovia, Issy-les-Molineaux y Turku). 2.98 M€ liderado UV, IP P. Rausell; A. Oliver metodología y análisis.

RTI2018-093321-B-I00. Calidad de Vida e Interacción Social de Personas Mayores en España: Propuestas de Acción desde una perspectiva de género. MINECO, I+D Social Challenges 2019-21. IP A. Oliver & JM Tomás.

Special Accions. Psychosocial & biological markers in older adults living in community: quality of life diagnoses & promotion. UV research program. 2018-9. IP A. Oliver.

PSI2014-53280-R. Longitudinal study of successful aging in learning programs throught life: impact on bio-psychosocial welfare. MINECO, I+D Social Challenges 2015-17. IP A. Oliver & JM Tomás.

Ref: 154/12. Spatial epidemiology of gender violence and characteristics of neighborhoods: A pilot study in the city of Valencia. Institut for Gender Studies (Ministry of Equity & Social Affairs). IP Enrique Gracia, 2013-4.

Valoritza 2015 I+D funding program. Research transference project regarding Gender & Quality of Life Promotion: Development and validation of Liad@s, the first free psycho-educative App to prevent dating violence in adolescents.

C.3. Patents

Software (2018) Patent number 208064 Liad@s for iOs and Android. Currently working in development & validation “app 50+” <http://www.app50plus.com/> promoting self-care integrating physical, social and psycho-emotional health in aging. An app name HOSLY for oncological pediatrics. Entrepreneur co-owner of a technology based company, Start-Up “SAY.SL”

Award, 3rd position in Entrepreneurship at University contest, MOTIVEM, deCO device.

Currently participating in 2019as international mentor of a junior team (girls 11 years old) for the Technovation program to promote Entrepreneurship & STEM careers in Girls, supported by Iridescent (our project HOSLY app was awarded as GOLD in regional completion and reached world semifinals).

C4. Main responsibility in formal agreements with:

Federation of Valencian Citizens’ Associations for Research Transference to Quality of Life Promotion (2014-2016) and (2016 to now).

ESAN University (Lima, Perú) 2016 to now.

Fundación Cuadernos Rubio, agreement to support audiovisual evidence based tools in Mild Cognitive Impairment.

C5. Memberships of scientific societies

Member of SVCP & SECPAL (Valencian and Spanish Society of Palliative Care) since 2017

Member of EVAP-BWP (International Assoc. Business & Professional Women) since 2012

Jury in several national awards and Social Responsibility (e.g. VOLUNTADES award)

Member of expert taskforce (2017-june 2018) authoring the draft for the Valencian Law for Dignity & Quality at the end of Life, GVA. Member of taskforce in New Health Foundation.

C6. Awards

2018 Awarded short term stay at RCC Harvard, Boston, MA.

2016 in Research Transference 2016 by *Federation of Valencian Neighborhood Associations*

2015 by Social Council & Valencian Autonomic Admin. for Outstanding Academic Teaching

Different awards and nominations (2015; 2018; 2019) in national and international conferences to research coauthored either with David Rudilla and/or Gustavo Simone focusing in improving quality of life in end of life patients and their families.

C7. Active member of the UV taskforce (2017-2018) for improving the quality of research training in the PhD studies, including the programs of over 60 PhD programs.

C8. Social media profile & public engagement:
