

Section A. PERSONAL DATA

Date of the CVA

12/01/2021

Name and Surname	Rosa María Baños Rivera		
DNI	11399076-T	Age	58
Researcher's identification number	WoS Researcher ID		C-6077-2011
	SCOPUS Author ID		7004230253
	Open Researcher and Contributor ID (ORCID)		0000-0003-0626-7665

A.1. Current professional situation

Institution	Universitat de València		
Department	Faculty of Psychology		
Address	Personality, Evaluation and Psychological Treatments		
Phone	963864412	e-mail	banos@uv.es
Professional category	Professor University	Start date	10/10/2007
Key words	Clinical psychology, health psychology, positive psychology, emotions, healthy lifestyles, psychopathology, emotional disorders, eating disorders, obesity, physical activity, information and communication technologies, self-applied psychological treatments online		

A.2. Academic education (Degrees, institutions, dates)

Bachelor/Master/PhD	University	Year
Degree in Psychology	Universitat de València	June 1985
PhD in Psychology	Universitat de València	December 1987

A.3. General indicators of quality of scientific production

Sexennial of research: 5 (last recognized: December 2016); Sexennial of transfer: 1 (2019)

Number of doctoral theses supervised in the last 10 years: 21

Total citations during the last 5 years: 3193 (Source: WOS); 3719 (Source: SCOPUS)

Average citations per year: 184.2 (Source: WOS)

Index h: 35 (Source: WOS); 40 (Source: SCOPUS)

 2nd position in the category "Psychology Clinical" in the latest ranking of Spanish researchers according to the h index (<https://indice-h.webcindario.com/>). October 2020.

Section B. SUMMARY OF THE CURRICULUM

PhD in Psychology, Psychology Specialist in Clinical Psychology. She is currently a Professor of Psychopathology, ascribed to the Department of Personality, Evaluation and Psychological Treatments. She received a fellowship (FPI) and, afterward, obtained the position of Assistant Professor and Professor at the University of Jaume I and at the University of Valencia. Since 2007, she is the Director of the Masters in Multidisciplinary Intervention in Eating Disorders and Personality Disorders, as well as of 4 UVEG postgraduate courses. She has published 305 works referenced in JCR and 312 in SCOPUS. Her h-index is 35 in ISI (Total citations 4788) and 40 in SCOPUS (Total citations 5840). In the latest Spanish researchers ranking, according to the h index (<https://indice-h.webcindario.com/>), she is situated in 2nd position in the category "Psychology Clinical". In the last 10 years, she has supervised more than 20 doctoral theses. She has also participated in more than 500 national and international congresses.

She is Director of the POLIBIENESTAR Research Institute, and the head of one of the research groups of the CIBER network of Physiopathology of Obesity and Nutrition (CB06/03/0052). Moreover, she is currently the director of the research group LABPSITEC-Valencia. She has participated in more than 50 projects financed by regional, national and European funding. Between the years 2015 and 2017 she led the Excellence Network PROMOSAM financed by MINECO. She is currently participating in 4 European projects

(H2020): Tactility, ehcoBUTLER, ALEAS, and ECoWeB. She is also the principal investigator of projects funded by MINECO (AN-BODYMENT) and the Department of Education and Research of GVA (Grants program PROMETEO for the research groups of excellence "Intersabias") and is part of the European Consortium for Active and Healthy Aging (EPI- AHA), leading the action of the project Mayordomo.

She is a President of the "Agencia de Evaluación de I+D+I de la Junta de Andalucía" (area of Psychology) from 2020, and member of the Commission of Social Sciences (Agencia Qualitat de Catalunya AQU). She has been in charge of the research evaluation for the National Research Plan, in the Psychology section, being a collaborator (2009-2010) and the manager ("president") (2011-2013). She has been a member of the "Comisión Andaluza de Evaluación de los Complementos Autonómicos (CAECA)" (2019-2020), an expert evaluator of the ACADEMIA program of ANECA (2020-2018), member of the "Comissió d'Avaluació de la Recerca" of the "Agencia de Qualitat de Catalunya" from 2019, and a member of the Foundation of the Valencian Community for the Study, Prevention and Assistance to Addictions (from 2011 until 2015). She has collaborated as an expert for various international organizations, and for European research programs (V, VI, and VII Framework Program, and H2020).

She is a member of 20 scientific associations. She is the vice-president-elect of the Spanish Association of Positive Psychology and the vice-president of the European Association of CyberTherapy and Rehabilitation. She is a member of the editorial board of 8 scientific journals.

Her research has been focused on the field of Psychopathology and Clinical Psychology. Over the past few years, she has focused on the study and application of Information and Communication Technologies (e.g., virtual reality, Internet interventions, mobile applications) in clinical and health psychology, quality of life and well-being, as well as on the development and validation of effective and efficient therapeutic programs.
