Summary of CV

This section describes briefly a summary of your career in science, academic and research; the main scientific and technological achievements and goals in your line of research in the medium -and long- term. It also includes other important aspects or peculiarities.

Antonio Manuel Liz Gutiérrez was born in Burgos (Spain) in 1960. He graduates in Philosophy from the University of Salamanca in 1984. He completed his dissertation in 1984 with the title "El realismo Interno de Hilary Putnam ". PhD in philosophy by the University of Salamanca in 1987 with the doctoral thesis entitled "Realismo científico y opacidad teórica de los contextos epistémicos".

Since 1986, he is a professor at the University of La Laguna. In 1989, he obtained the position of "Professor Titular" of the area of "Lógica y filosofía de la ciencia". In 2010, he obtained the position of "Catedrático de universidad" in the same area. He teaches in the Faculty of Humanities, mainly philosophy of language, philosophy of science and philosophical analysis. He has coordinated and directed several masters and doctoral programs. Currently, he teaches history of analytical philosophy an interuniversity master's degree in Philosophy research. He has been the tutor of five doctoral theses and a number of TFMs and TFGs.

His main lines of research are epistemology, metaphysics and philosophy of science. In recent years, he has focused on the notion of points of view. He has been visiting scholar at Brown University, with professor Ernest Sosa. Also, he has been visiting scholar at the Higher School of Engineers of Seville, where he has collaborated very closely with Javier Aracil.

He has participated in many research projects. At the beginning of his career, he jointed research projects led by Miguel Ángel Quintanilla and Fernando Bronmcano. In recent years, he has directed, and co-directed with Margarita Vázquez, several projects of the Spanish National Plan, at the University of La Laguna. All of them are related with the notion of points of view.

He has published papers in important journals as Philosophy, Foundations of Science, System Dynamic Review, Theory or Análisis Filosófico. Also, he has published chapters of books in the CSLI series, of Stanford, and Springer.

He has got five "Sexenios de investigation" from the ANECA, the last one in 2018.

ORCID ID: 0000-0002-2511-1108
